

## Volunteer Opportunity: HerCapital 2025 Mentor

### What is HerCapital?

HerCapital is a holistic 6-month women's leadership programme designed for first-year university students. The programme aims to provide authentic exposure to various industries, develop leadership skills, and encourage a growth mindset.

### What will this entail?

As a mentor, you will:

- Support your mentee's personal and professional development
- Provide career insights and industry exposure
- Guide them through CV reviews and mock interviews
- Help them understand their strengths and areas for growth
- Encourage confidence and self-awareness
- Offer continuous support and motivation

### Dates & Time Commitment:

- The programme runs for 6 months
- Mentors are expected to engage in monthly mentoring sessions
- Sessions can be conducted in person or virtually
- Flexible communication through calls, emails, or text messages

### Who are we looking for?

We are seeking mentors with 2-5 years of experience from diverse career paths, including but not limited to:

- Finance (Investment Banking, Asset Management, Accounting)
- Technology
- Corporate Law
- Finance-related and non-traditional career pathways

### What you will gain:

- Develop your leadership, mentoring, and communication skills
- Enhance your ability to listen, guide, and provide empathetic support
- Make a meaningful impact by helping to shape the future of young women in the City

### How to apply: PLEASE REFERENCE DIVE IN WHEN APPLYING

- To apply, please complete the [Mentor sign-up form](#). Your support will make a difference in helping young women build confidence and succeed in their careers.
