# Further information

## Company Stand

- Those on the stand we simply ask that they are fully aware of the range of opportunities which your company has to offer young people such as work experience, internships, scholarships, non-graduate and graduate opportunities etc.
- Company stand should include 2-3 people on and have branded merchandise, a company banner etc
- They are required to turn up an hour before the event to set up and pack up within the hour after it finishes.

- The role of the role model for these events is to discuss your role and the route you have taken to achieve all you have and offer any top tips. Ideally promoting the insurance industry as an industry of choice.
- The Reach Society requests that the ideal person would be someone with roughly 5 years' experience of your firm and is a male from your cohort of Black staff.
- Role Models are required to turn up an hour before the event for a briefing session with organisers
